

LIQUID APPLIED MEMBRANE – SINGLE COMPONENT

SIKALASTIC®-629T

BUILDING TRUST

LIQUID APPLIED MEMBRANE
SIKALASTIC®-629 T

Sikalastic®-629 T este o rasina poliuretanica monocomponenta, transparet – lucioasa, durabila si elastica pentru renovari rapide si usoare peste placari ceramice la terase si balcoane.

Sikalastic®-629 T are rezistente foarte bune la raze UV si la factori atmosferici pentru suprafete cu trafic pietonal.

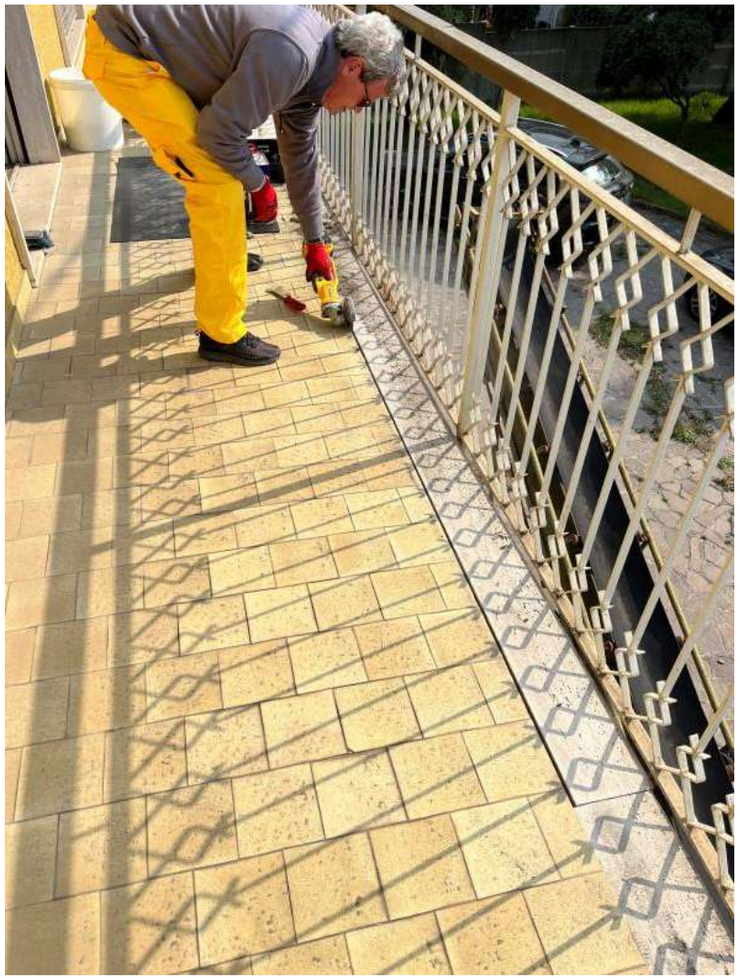

Utilizari:

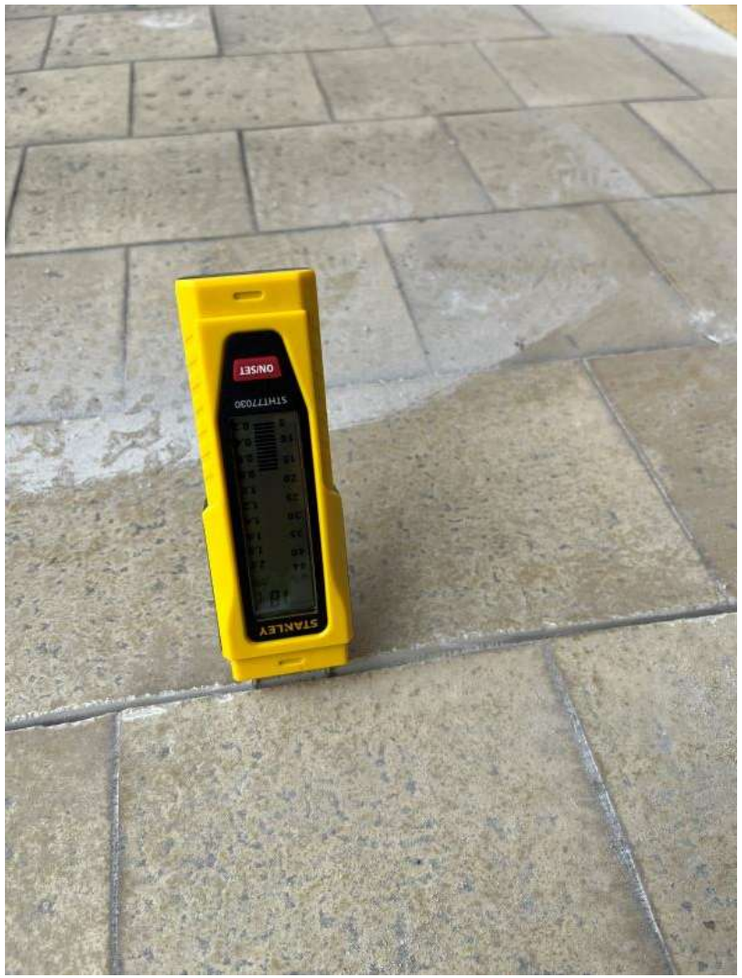

- Hidroizolatie
- Transparenta
- Elastica
- Circulabila pietonal
- Produs monocomponent
- Rezistent la razele UV si la factori atmosferici
- Nu necesita cursuri speciale pentru a fi aplicat
